We highly recommend a brief telephone consultation prior to your session to answer any questions and to help us prepare for your portrait session.

Preview appointments will be made before leaving the studio after your session. To better facilitate our ability to help you your decisions during this appointment we ask that you leave small children at home and turn your cell phones off.

Portrait Package

Vs. A La Carte

For your convenience, Michael J. Ewing Photography has designed four Senior Portrait Packages, with different pose and size options, suited for a wide range of budgets. Purchasing a portrait package will offer you up to nearly 15% savings over the A La Carte price. However, if you don't find what you need within one of the packages, feel free to customize your Senior Portrait order using the A La Carte list.

Payment Policies

Due to the high demand for time in the studio, all session fees must be paid in advance. We accept cash, checks, Visa, Mastercard, Discover and American Express. The session fee will reserve the studio just for you, and covers the professional service of creating your images. Your Senior Portrait Session appointment may be reserved in either of the following ways:

1. Pay with a credit card when scheduling the appointment on the telephone. We will need a parent to authorize the use of their credit card.
2. Drop off a check within 24 hours of scheduling the session appointment. If payment is not received within 24 hours, the appointment will be cancelled.

Portrait orders will require at least a 50% payment at time of order, (most find it more convenient to pay in full when placing their order) with the remaining balance due when the order is ready for delivery. No part of any order will be delivered (including the yearbook photograph) until the balance is paid in full.

Orders not picked up within 14 days are subject to a 1.5% service charge per month
